

February 21, 2013

Maryland is poised to repeal the death penalty soon. Yesterday, MD Sen. Robert Zirkin [announced his support for the repeal bill](#)

. That major obstacle overcome, we expect the MD Judicial Proceedings Committee to vote for repeal tonight. The bill could reach the floor of the MD Senate as early as Saturday.

There are no guarantees. Act now.

[Click here to send a message to all members of this committee to pass repeal without amendment.](#)

Support PFADP [here](#) . Thank you.

For justice,

Stephen Dear
Executive Director
